About This Content

En5ider: Sylvan Secrets

Campaigns featuring the fey often showcase flashy battles with sprites, satyrs, and dryads.

However, such campaigns are incomplete without the mystique of superstition and portents of the inexplicable.

Fey spirits invisibly hide in the twilight between worlds; in many ways, it is best to tell their stories through memorable characters, exploration, and ambiance - not a straight-up slugfest.

Writer Josh Gentry brings you a range of new fey-themed rules to add to your game. Fey-Touched NPC appearance, bonds, and flaws; random fey environmental objects such as fey wards, gates, and leylines; fey antics and pranks; and how to gain and use sylvan favour.

Released on June 14, 2018. Designed for Fantasy Grounds version 3.3.5 and higher.

Requires: An active subscription or a one time purchase of a Fantasy Grounds Full or Ultimate license and the included 5E Compatible ruleset.

Title: Fantasy Grounds - En5ider: Sylvan Secrets (5E)

Genre: Indie, RPG, Strategy

Developer:

SmiteWorks USA, LLC

Release Date: 19 Jun, 2018

b4d347fde0

Minimum:

OS: Windows 7x , 8x or 10x

Processor: 1.6 GHz or higher processor

Memory: 1 GB RAM

Graphics: Graphics card recommended

DirectX: Version 9.0c

Network: Broadband Internet connection

Storage: 500 MB available space

Sound Card: a sound card is required for voice communication using external programs like Google Hangouts, Skype or Discord.

Additional Notes: Requirements vary by the add-ons installed and the number of players connecting to your game.

English

3.0 - Fey Antics

Fey can't help but play pranks on people within their sphere of influence. When entering an area, a successful DC 15 Intelligence (Arcana or Nature) check lets the character become aware whether the fey might try to pull one over! Once per short or long rest (or during a lull in gameplay) while the party is in such an environment, visit upon a random player character one of these pranks. These pranks do not harm characters directly, but they can provoke laughter as easily as they escalate other dangers.

A word of caution: some of these pranks may constitute "false leads" within the storytelling process. Be sure to use those pranks only when it would directly enhance the sylvan ambiance.

Table: Fey Antics

Antics

- Trip
- Dream Visitation
- "Ooh, Shiny!"
- Play with Toys
- Ready-Made Meal

Fey Objects

Roll Custom Output Chat

1d6 Random Object

1 - 1	● Grendelwood

2.0 - Environmental Objects

When players are exploring a wilderness scene and you want to add a dose of fey flavor, roll on this table and add the appropriate object to the scene. The objects are detailed below.

Each object when encountered requires a DC 15 Intelligence (Arcana) or (Nature) check to discern its nature.

● Tables: Fey Objects

Objects

- Grendelwood
- Fey Wards
- Faerie Gate
- Leylines

1.0 - Fey-Touched NPCs

Fey intervention in mortal life is rare but spectacular, and significantly alters a person's affect and motivations. GMs can represent NPCs with such deep or subtle fey connections by granting them one or more of these traits.

Tables

- Appearance
- Bonds
- Flaws

4.0 - Sylvan Favor

Any time a character would receive inspiration for helping the fey, you can instead grant the player sylvan favor. A character can expend sylvan favor to call on the faeries for aid, or the GM can keep sylvan favor a secret and expend it on behalf of the character's invisible allies.

- Forest Fast-Travel
- Appeasing Faeries
- Activate Faerie Gate
- Question the Trickster
- Fey Intervention
